

Tournament Conditions

1. We will play according to the rules of the Württemberg football association WFV.
2. Players must be able to confirm their age by a **player's passport** or any other official identification provided with a photo. One has to prove one's right to play by presenting either a printend DFBnet eligibility list of good quality or a complete paper player's pass. If there is no player's pass or no photo on the eligibility list, the player in question has to present an official ID with a photo before the competition begins to start without being asked to do so.
3. **Players, born in / before 2005** are entitled to play as **(U14) C-Juniors**;
players, born in / before 2007 are entitled to play as **D-Juniors (U12)**
4. The team of **C-Juniors consists of 11 up to 16 players play on a standard field** (grass or artificial turf). The playing time for C-Juniors is 18 minutes without changing sides.
5. **D-Juniors, teams of 9 to 14 players**, play on **compact fields** (70 m x 55 m, big goals) of grass and artificial surfaces. The playing time for D-Juniors takes 15 minutes without changing sides.
6. The team that is mentioned first on the schedule plays from left to right (seen from the tournament director / from A to B on the plan) and has the kick-off.
7. If the both teams have shirts of the same colour, the team that is mentioned first is provided with shirts of a different colour.
8. The transition area is close to the centerline. Players may be substituted as often as required.
9. The best and the second-best of the groups as well as both third-best of the groups reach the second round. The second round will be played in two groups of four teams; the two winners will be in the final whereas the two second-best will compete for third and fourth place.
10. If there is a level score of the first and second round, the goal difference will be decisive. If there is a level score and the same number of goals, the number of goals will be of importance. If even the number of goals is the same, the direct comparison will determine the progress. If there is still no winner, there will finally be penalty shootouts. If two or more teams have to do the penalty shootouts, one will decide by drawing lots what team will do the shootout first.
11. Which of the teams will play for third place ("petite finale") will be decided without extra time by a penalty shootout if the game has ended in a draw.
12. If there is a draw in the final, the playing time will be extended for about five minutes. If there is still a draw, a penalty shootout will determine the progress.
13. During the subsequent award ceremony the winners in first, second, third and fourth place get cups – 16 players of C-juniors at most, 12 players of D-juniors at most. In addition, the four first placed teams get material prizes.
